ANTHONY HOOD OPEN

Kevin Kuhn has requested in writing that the open drain on his property be converted to a legal drain. His land, along with land in Fayette County, currently drains to the Anthony Hood Open drain. A hearing will need to be held to convert the drain and then possibly combine it with the Anthony Hood Open. The Surveyor will work on getting more information put together for the Board before a hearing date is set. Since there is land in Fayette County that drains to the Anthony Hood, the Surveyor has sent them a letter requesting jurisdiction of the drain. No response has been received and the 30-day waiting period for a response has expired. A motion was made by Masters, with a 2<sup>nd</sup> by Bacon, to assume jurisdiction of the Anthony Hood Open Drain. Motion carried.

The Board was reminded of the two hearings that will be held at the next meeting.

There being no further business to come before the Board a motion to adjourn was made by Masters, with a 2<sup>nd</sup> by Bacon. Motion carried.
